

ULTIMATE SECURITY //

Standard Terms and Conditions of Sale

Standard Terms and Conditions of Sale

All prices are subject to a 10% GST in Australia and 15% in New Zealand where applicable.

All quotes are valid for 30 days, unless otherwise specified.

Acceptance of our Quotations and variation approvals requires the written acceptance via email, or a purchase order signed by an authorised staff member sent to **service@ultimatesecurity.com.au**

Any terms accompanying the supplied purchase order will not over-rule these Ultimate Security Australia Terms and Conditions of Sale.

Payment terms are strictly 14 days from date of invoice issuance.

Ultimate Security Australia reserves the right to act on the Security Payment Act 1999 and any other applicable laws and legislations to collect unpaid debt.

Ownership of the goods will not be passed to the customer until full payment is received.

All fire penetrations, fire rating and compliance certification is excluded.

All fire isolations, fire trip relays, fire trip interfaces and cabling is excluded.

Core Drilling is excluded

Any patching and painting is excluded

Asbestos work, asbestos removal, or other dangerous or harmful substances is excluded.

Bank Guarantees, Retentions and Liquidated Damages are excluded

Ultimate Security Australia reserves the right to submit progressive invoice claims for larger value or extended duration works at various key milestone stages.

Additional charges for any variations will be submitted as a variation quotation for approval before commencement of works.

Additional charges for remote technical support and services may apply.

Not all alarm system's can be remotely accessed; therefore user code changes cannot always be done remotely.

All installation & service work will be performed during normal business hours.

Site costs, Elevated Work Platform or similar incur additional charges, and are excluded unless specifically included in our proposal as a line item. Where specifically included, site needs to accommodate the co-ordination of delivery and pick up with the hire company.

No allowance has been made, unless stipulated, for chasing cables, cutting concrete or bitumen and making good. If required Ultimate Security reserves the right to complete or reject the work, and as a result additional charges will be incurred.

If during any stage of any project our cables or equipment become damaged, are tampered with or become inaccessible due to others, there may be additional costs charged.

No allowance has been made for Lift car cabling, lift motor room cabling, trailing cables and/or interfacing.

All network equipment such as modems, routers or the likes including data costs are to be supplied by client, in order to make any applications functional.

All associated voice/data provision, connection, configuration and usage costs are the responsibility of the client.

All customer computer networking is to be completed by Customer, or their IT representative.

All Low Voltage electrical works is excluded. This includes 240 Volt electrical work for General Power Outlet's. Where electrical works are required, these are to be arranged for and supplied by the client.

The Workplace Video Surveillance Act requires all staff to be notified 14 days prior to installation of camera systems in the work place and the installation of visual signage.
